FRONTEND DEVELOPER

WORK EXPERIENCE

Procurement Specialist

2023 - Present

THETONEPIRATE CONSUMER GOODS TRADING

As a Procurement Specialist, my primary responsibilities include identifying potential projects through PhilGEPS, assessing our inventory or service capabilities to meet project requirements, and conducting detailed quotations for selected projects to evaluate profitability and I actively participate in pre-bid meetings and bidding processes to ensure compliance of our bid.

Sales and Computer Technician

2022 - 2023

PCS COMPUTERS

As a Computer Technician, my daily responsibilities encompass driving sales within the company through the promotion of computer packages and parts. I provide expert troubleshooting services for customers seeking repairs for their computers. Additionally, I specialize in constructing customized PC builds tailored to the specific needs and preferences of our clientele.

Technician

2020 - 2022

I-ZEEK NETWORK SOLUTION AND SERVICES

As a Technician at iZeek, my role encompasses providing comprehensive support to the team across various projects, including troubleshooting network issues, CCTV connectivity, computer hardware, and software malfunctions.
